

Application for Membership

The National Depression Glass Association (NDGA), Inc. founded in 1974 is a 501(c)(3) non-profit organization, supported by its members, with two main purposes: Education and preservation of American made glassware manufactured before, during, and after the "Great Depression."

By donating to the organization, you are entitled to a yearlong (January – December) membership in the organization. This will include you and any other people living in your home. As a member, you will receive a copy of our newsletter. Only one copy of the newsletter will be mailed to each household.

Please, indicate your donation level:
